

A large, grey, vertical machine with a long telescopic mast and a single large tire, positioned on a concrete surface. The machine has a control panel with several buttons and a red emergency stop. It is set against a background of a dirt embankment and trees. The image is overlaid with a semi-transparent blue filter and a yellow square in the top-left corner.

VB1 LITE

VB1 LITE

VB1 Lite is portable electric drilling rig designed for personal, but also for professional use.

Machine features remote cable controls, pipe locking mechanism, overheating protection, removable water swivel.

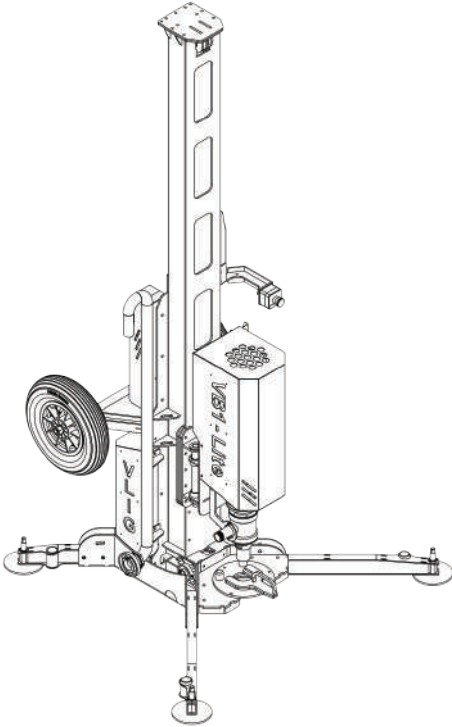

Easy for transport and setting up work.

Area of use:

- Water wells
- Geothermal drilling
- Geotechnical drilling
