GTC 100

GTC is multipurpose drilling rig designed for profesional and frequent use.

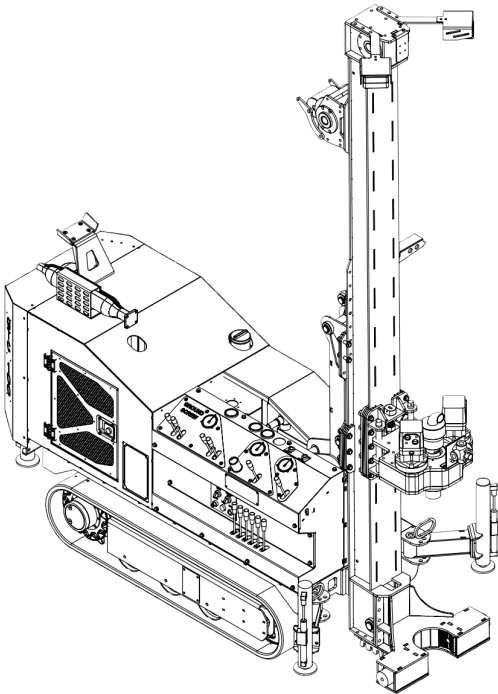

Complete system is hydraulic powered with tier V Kubota engine. Due to it's small weight and compact size, it can be transported by van. On the other hand giving a great performance and drilling results. Machine is easy for handling and operating. GTC offers additional upgrades such as: Winch with mast extension, retractable/extendable, remotely controled driving functions.

Area of use:

- Water wells
- Geothermal drilling
- Geotechnical drilling
- Sampling
- DTH drilling

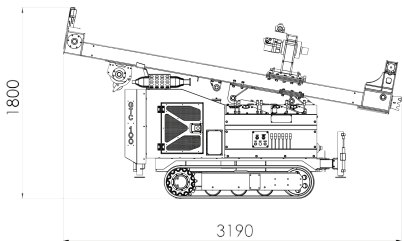

Technical specification

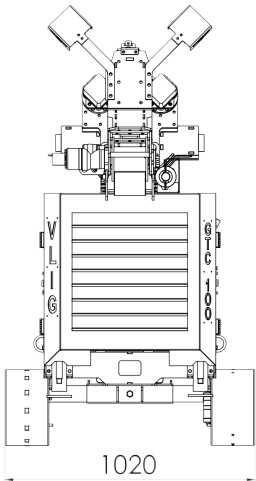

SPECIFICATION	GTC 100
Rotary head torque	1400-2800nm
Rotary head RPM	30-80
Max pull up	2500kg
Max pull down	1300kg
Water swivel head	Yes
Pipe feed	2m
Max drilling depth	80-100m
Maks. drilling diameter	300mm
Power supply	Diesel
Engine power	25hp Kubota
Mast sliding	500mm
Clamping head passage	170mm
